Dear Kim

Estate Nancy Shirley Stevens

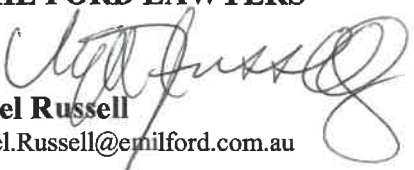

I have received instructions to act for Matthew Stevens and Jenny Hutchinson in connection with the administration of Shirley's estate.

Matthew informs me that you managed Shirley's investments at the time of her death on 10 July 2018. Would you please provide me with specific details of each investment held in Shirley's name as at the date of death, including the number of units/shares, SRN or CHESS Reference No., as the case may be. This list should also include any investment/s of which you may be aware that were held in trust for Shirley.

Details of any other assets of which you may be aware would also be appreciated.

Thank you in anticipation.

Yours faithfully,
